About us:

search-consult.com publishes an international executive search magazine focussing on the most relevant topics and challenges facing the industry and also produces training events and major industry conferences around the world. In addition, regional electronic newsletters are sent to around 35,000 email subscribers on a monthly basis, and consultancy services are offered to search firms looking to develop their business operations, strategy and decisions about new business development.

Reach An International Audience of Executive Recruiters!

Since its launch in 2001, **search-consult magazine** has become the only international publication for professionals involved in executive recruitment, with 8,000+ readers in 56 countries to date. Brand your search firm as an industry leader, increase your competitive edge, or advertise products and services to a global target audience!
